

## Feedback for ES –using RCGP ESR descriptors

**ES Name:**

**Trainee:**

**Date:**

Please complete this form giving specific feedback while you are reviewing the trainee ePortfolio then e-mail to programme co-ordinator. Note this form will be sent to the ES after the ARCP panel has met.

Descriptor	Criteria	Comments
<b>Not acceptable</b>	<ul style="list-style-type: none"> <li>• The basis for judgements is not clear, ie they are not referenced to the evidence</li> <li>• Where the judgements can be evaluated, they do not appear to be justifiable</li> <li>• No comment is made on the current state and the progression of competence</li> <li>• Suggestions for trainee development are inadequate in number and/or quality</li> </ul>	
<b>Acceptable</b>	<ul style="list-style-type: none"> <li>• Judgements are generally referenced to the available evidence</li> <li>• Judgements appear to be justifiable</li> <li>• The current state and the progression of competence are made clear</li> <li>• Suggestions for trainee development are routinely made and appear to be appropriate</li> </ul>	
<b>Excellent (in addition to Acceptable)</b>	<ul style="list-style-type: none"> <li>• Judgements show sophistication, synthesising evidence from a number of sources</li> <li>• Suggestions for trainee development clarify the learning outcomes to be achieved</li> <li>• The supervisor comments on the quality and range of the evidence-set in order to improve trainee insight and future data</li> </ul>	

- **ePF reviewer completes this form and then adds to it at the ARCP panel after the review**
- **Programme Co-ordinator types up and sends to panel chair for editing**
- **Programme Co-ordinator then sends to ES**
